Sir,

Referring to petition Registered No 5290 dated 30th June 1908 from D. Nagappa and two others of Araga in the Shivathalli Taluk Concerning the affairs of the Malale Math, which was referred to this Office for enquiry and disposal in your docket No 294 dated 18th July 1908, I have the honor to State that this petition and another on the same subject addressed to this Office were referred for a thorough enquiry and report to the Taluk Amildar. From his report on the Subject, received with his Sthilla No 302 dated 29th September 1908, it is ascertained

that

that the Lingayat Matt is one of some antiquity,
as a reference to the copy of the copper plate
inscription (Jewish No 11) shows that it
was endowed with inam lands in the 17th
century A.D by the members of the ruling
family of Keladi (Nagar) Samsthanam
in the Villages of Poyasettikoppa and Pallur
in the Nagar Taluk, and Malale, Hosakere,
Karadigere and Honalere in the Shivathalle
Taluk, the details whereof are given in
Statement B. (Jewish No 6). The average
yearly income from the lands endowed
to the Matt is estimated at 270 Khandies
of paddy, 150 3/4 maunds of Supari and
Rs 81 cash, valued in all at Rs 2128-8-0.
Of the 172 acres and 31 guntas of dry, wet
and garden lands of the Matt, an extent
of only 71 acres and 12 guntas was under
cultivation during 1907-08

2. The presiding Guru of the Matt, Sri Nagar
jina swami, who went to Dumbaikatte
in the Dharwar District, two years ago
died

died there in December 1906. The Swamis brother Veerupakshappa, who resided at Sarulagatte in the Shikarpur Taluk, is said to have then gone to the Mutt, and to have, after conferring with some of the desciples of the Mutt, drawn up a Dahanama Vesting the management of the Mutt in the hands of two persons Gyyappa Gowda and Kalappa gowda of Arga, and empowering them also to decide disputes of a religious and quasi religious nature arising among the disciples of the Mutt.

3. The inventories of the Valuable articles of gold and Silver, clothes &c (Valued at nearly Rs 1500) as also of the Copper and Brass Vessels and other articles belonging to the Mutt are given in Statements A/1 and A/2 (Exhibits Nos 4 & 5).

4. Besides the above mentioned properties, the Mutt also owns 45 head of cattle. On a Verification, however, it was ascertained by the Amildar that eight head of cattle

of

of the Mutt were missing, and that four head of Cattle which were not the property of the Mutt were found in place of the missing Cattle.

5. On account of neglect nearly three fourths of the old Mutt building are now in ruins. The deceased Imame had made an attempt to improve it. The Sketch (Deviat No 12) shows the present condition of the building.

6. The Amildar reports that Several disciples of the Mutt both in and out of the Mysore Province, desire a duly qualified person to be appointed for the Vacant place of the Guru.

7. In Order to bring the institution to an efficient condition, the Amildar proposes that it may be taken over under Government management with an establishment of costing Rs 378-8-0 per annum in lieu of the present one costing Rs 330 per annum. Details are given

GPB—10,000—9-4-06.

given in Statement I (Jewish No 13). It is also proposed to have a committee of six persons (Statement J. Jewish No 14) to Supervise the affairs of the Wakf. As the Amildars enquiry and report are fairly exhaustive, greater details have not been given in this letter. I agree with his proposals.

Sir,

In forwarding herewith the vernacular correspondence received with your docket No. 606/90-08-6 of 11th January 1878, regarding the lands that are in the Khate of Malale Matt at Nonabad in the Tirthalli Taluk, I have the honour to state that after referring to the Quit Rent Registers, I find that the Matt in question has not been endowed with Inam lands. The lands standing in the Khate of (1) Nafarajina Swamy (2) Archa

- Vira

-ria and (3) Nagarpina Devaru
mud situated in the villages
of Nonaboor, Karadagapudur
Kosakere are Sirkar Kandagam
lands, and the proceeds thereof
were being utilized by the Khaledar
Nagarpinaswamy for purposes
of the Medali Matt. The
Matt itself is not endowed
by Government either in cash
or in land. Mr. Chandy's report,
No: 25-9, dated 31st October 1908,
appears therefore to have been
based on a misconception
of facts. Under these circumstances,
it seems to me that no interference
on the part of Government is
called for, the Matt not being
a mungai institution.

The file of Kannada records connected with the case is returned herewith.
